## **DEPARTMENT OF COMPUTER SCIENCE**

### Annual report-2017-18

During the academic year of 2017-18, the Department of Computer Science consists of 9 faculty members and 138 students. The Department has conducted orientation programs for the newly admitted students. The Department offers various programmes for advanced learners to enhance their skills. We conducted several discussions and seminars to encourage students to participate in various symposiums like quiz, poster presentation, inter institution competition etc. Measures were taken for improving the academic performance of those students. Study Tour programme conducted for final years.

During this academic year the Computer Science department conducted several academic and non- academic programmes. Independence Day, Onam celebration, Christmas celebration, Environment Day Celebration are some of them. As part of the study syllabus, UG projects were submitted by students. Students participated and won prizes in various IT Fest organized by different colleges. During this year there were 20 UG mini-projects and 41 UG main projects completed by the students of BCA & B.Sc. Computer Science. 2 of the students got placed in TCS and Infosys Ltd.
