

MAR ELIAS COLLEGE KOTTAPADY

PLACEMENT CELL REPORT 2018 - 2019

The placement cell of Mar Elias College, Kottapady has had another fruitful year of placement, in the academic year 2018-2019. Each year we invite and host companies in campus to hold recruitment for our students.

The placement cell is headed by Dr Smitha Harikumar and the coordinator is Mr. Nidish Krishnan. All the activities are done by the committee of teachers and students. The placement cell of MEC aims at making available quality placement opportunities for the students of the college. It acts as an interface between the students of the college.

Our placement cell maintains a constant contact with its students through face book page, WhatsApp and also send the student 's regular mails notifying them about the companies that would be visiting and encourage them to apply for the recruitment. Like the previous year, this year also, cell organized several workshops for students. The seminar on soft skill development and career building was held on Jan. 24, 2019 and the eminent speaker Mr. Jyothish K. S handled the session. (Corporate trainer and Alumni).

On 2nd February 2019, a job orientation programme was conducted in collaboration with RELIANT GROUP for all final year students. The seminar provided with the format of an impressive curriculum vitae and initiated the students to take part in mock group discussion. The seminar was highly valuable and appropriate for most of the final year students.

As the instructions of placement cell, many of the final year students attended various job fairs organized by reputed companies.

With relentless support from Principal, Teachers and students, the cell has being growing from strength to strength and striving towards the ultimate goal of 100% placement for the students.
